PRESS BOX

Due to lack of space, accommodations in the press box will be furnished only to representatives of Pittsburgh papers, and from metropolitan papers filing for Sunday editions, press services, Pittsburgh radio and TV sports commentators, and scouts from schools playing either Pitt or its opponent. Requests should be made in advance, indicating whether or not Western Union services will be needed during or after the game. Those coming to the press box, to avoid climbing hills, should have cabs take them to Gate #23. This is located behind Pennsylvania Hall of the School of Medicine.

PRESS COMPLIMENTARIES

The University extends the privileges of press complimentary tickets to all daily publications in the area. These will be limited to two to each paper. Applications must be received by the Monday preceding the game and the seats will be located in the best available section at the time. A check or money order made out to the University of Pittsburgh for \$1.00 per ticket must accompany all requests.

It will be possible to purchase additional seats adjoining press complimentaries by enclosing a check or money order made out to the University of Pittsburgh, and note it on your request. The prices of these tickets are \$5.00 for Notre Dame and \$4.00 for Penn State, Syracuse, TCU, UCLA and Duke.

PHOTOGRAPHERS' PASSES

Sideline passes for photographers will be issued only to Pittsburgh papers and news services, and to the daily papers normally covering the opposing team. Others will be issued to the student publications of the two schools, but they will be limited by the number issued to those in the first mentioned category.

Photographers may work in front of the bench when the occasion demands, if they keep low, but

cutline writers must stay behind the line and obey instructions of the officer detailed to the area, who will lift the credentials of any breaking this rule.

Space in the photographers stand is reserved for newspapers in the same manner as field passes, and also for newsreel and game movie cameramen. This space must be requested in advance to insure adequate space.

Field photographers should enter Gate #3. Photographers covering from the stand should use Gate #9.

THE UNIVERSITY OF PITTSBURGH

The University of Pittsburgh had its beginning in a three-room log house in what is now downtown Pittsburgh two years before the Constitution of the United States was adopted. At the time of its founding it was known as Pittsburgh Academy.

The University is the oldest chartered North American institution of higher learning west of the Allegheny Mountains and north of the Ohio River.

In February of 1819 a second charter was issued, this time under the name of the Western University of Pennsylvania. By this charter the institution was given power to grant baccalaureate degrees. In 1908, with permission of the courts, the name of the school was changed to the University of Pittsburgh.

A legislative act in 1865 made the Allegheny Observatory a part of the University, and there Samuel P. Langley, distinguished for solar research and for early experiments in the science of aeronautics, James E. Keeler, discoverer of the moons of Saturn, and other prominent astrophysicists and astronomers have conducted research. The contributions of Langley, Keeler and others have made the Allegheny Observatory known all over the world.

Since 1892 several schools have been added to the older College and Engineering School, granting undergraduate and graduate degrees. In 1892 the School of Medicine was established; in 1895, the School of Law and School of Mines; in 1896, the Schools of Dentistry and Pharmacy; in 1910, the School of Economics, since 1923 known as the School of Business Administration; also in 1910, the School of Education; in 1912, the Graduate School; in 1907, the Summer Session and Evening School; in 1913, the Extension Division and Mellon Institute for research; in 1922, the School of Retailing and the Bureau of Retail Research; in 1926, the University Medical Center; in 1931, the Bureau of Business Research; also in 1931, Falk Elementary School, a progressive school for elementary educa-

tion; in 1938, the School of Social Sciences; in 1939, the School of Nursing; in 1944, Research in the Natural Sciences; and in 1948, the Graduate School of Public Health.

Construction on the world-famous Cathedral of Learning was begun in 1926. Architecturally the Cathedral is a modern adaptation of the Gothic tower. It contains nearly 100 classrooms and nearly 100 faculty and administrative offices, and more than 100 laboratories which are teaching and research units. It stands 42 stories and 535 feet high.

A feature of the Cathedral is its Nationality Rooms, planned and financed by the various major nationality groups which settled around the junction of the Monongahela, Allegheny and Ohio Rivers and built the mighty industrial city of Pittsburgh. Nationalities represented in the Cathedral are Swedish, Scottish, German, Russian, Chinese, Czechoslovakian, French, Roumanian, Hungarian, Italian, Lithuanian, Norwegian, Polish, Greek, Syria-Lebanon, Yugoslavian, Irish and English.

Construction of the Cathedral was begun under Chancellor John Gabbert Bowman, who held office from 1921 to 1945. Some of the groundwork which made possible the Cathedral and other advances during the Bowman administration must be attributed to his forward-looking predecessor, Dr. Samuel B. McCormick, who served as chancellor from 1904 to 1921.

Great strides were made during the administration of Chancellor Bowman, and spectacular progress under R. H. Fitzgerald who became Chancellor in 1945.

Upon the retirement of Dr. Fitzgerald in 1955, Dr. Edward H. Litchfield, Dean of the Graduate School of Business and Public Administration at Cornell University, was named to succeed him. The University has now embarked on a new development program to cost over \$100,000,000 during the next 10 years.

The modern University of Pittsburgh Memorial Field House, built at a cost of \$1,300,000, was dedicated in 1951.

In 1953, the Medical Center Nurses' Residence was completed at a cost to the University of \$4,500,000.

Recently completed is an engineering building (\$1,500,000); George Hubbard Clapp Hall for science research and teaching (\$2,500,000); a building to house the Schools of the Health Profession (\$15,000,000); the Graduate School of Public Health, costing \$5,000,000, will be completed this year.

The great progress made toward the establishment of the great Medical Center at the University has been highlighted by the development by Dr. Jonas Salk of the Pitt Medical School of the vaccine that is expected to eliminate polio.

In addition the University has acquired the Schenley Park Hotel and Apartments which it will develop into a comprehensive student living and activities center.

In November 1955, the University was given 176 acres of wooded area formerly the Wildwood Country Club and for 20 years a Boy Scout reservation. This has now been reconstructed and now has an 18 hole golf course, six tennis courts, swimming pool, baseball field, two intramural fields, and club house which is used for student and faculty meetings and social activities.

PREVIEW

Pitt lost eleven lettermen including five starters from last year's team which finished with a 5-4-1 record and although seventeen monogram winners are returning, the Panthers will be fortunate to break even with a schedule which, as usual, is one of the toughest in the country.

Coach John Michelosen's biggest problems will be finding replacements for the middle of the line, a second-string quarterback and a dependable left halfback. Another questionable position is at end although three letter winners are back.

Guards John Guzik, who made nearly all the All-American teams, and Ed Michaels, a co-captain, and Center Don Crafton, also a co-captain, will be difficult to replace in the middle of the line.

Joe Pulekines, Jim Zanos and Art Gob, all two-year lettermen, were three players who helped form the 1958 end corps, one of the best in the country. These boys will be missed.

In the backfield, Michelosen, whose four-year record is 23-17-2, lost Left Halfback Dick Haley, who led the 1958 team in rushing, scoring and kick-off and punt returns, Bob Stark, a fullback who didn't play after the Michigan State game because of an injury, Quarterback Bill Kaliden, who scored the winning touchdowns against Minnesota and Notre Dame, and John Flara, a fast-moving left half who caught touchdown passes against West Virginia and Army. Quarterback Ed Sharockman, a letterman, withdrew from school in early March.

The Panthers will employ the same offense as they did in 1958 although Michelosen might stress passing a little more. Last year, Pitt used the "Wing-T" with an open end. This was the first time Michelosen made any radical changes in his offense since he became head coach in 1955.

On the bright side of the ledger, Pitt should be strong at the tackles, right halfback, and fullback.

Four lettermen return at tackle, and two at both right half and fullback.

The first backfield unit will be Ivan Tonic at quarterback, Chuck Reinhold, a junior, at left half, Jim Cunningham at fullback, and either Joe Scisly

or Curt Plowman at right half. Tonicic was on the first team last year. Tonicic threw four touchdown passes and completed 44 of 69 aerials last year. Cunningham could be the best Pitt fullback since Marshall Goldberg (1938).

The second backfield will be Peter Prince at quarterback, Andy Sepsi at left half, and Fred Riddle at fullback. Either Plowman or Scisly will be the right halfback.

The third string backfield shows John Sakal, a sophomore, at quarterback, Ray Tarasi; another sophomore, at left half, Bob Clemens, a future star, at right half, and Mike Frasca, a hard-running sophomore, at fullback. Fred Cox, a right halfback, is another boy to watch.

The biggest problem in the backfield is developing a second-string quarterback. Sakal, a good passer, could be a sleeper. Left Halfback Reinhold is brittle but if he can go a full season, the Panthers will have one speedster although still lacking in overall speed. Sepsi must improve on defense although he looked good on offense in spring practice.

Scisly and Plowman undoubtedly will alternate at right half as will Cunningham and Riddle will do at full.

Pitt's leading All-American candidate is Mike Ditka, a junior. The 6-2 left end led the team in pass receiving with 18 passes for 252 yards and averaged 42.5 yards on 14 punts. Ditka and Bob Rathi, a two-year letterman, were the starting ends at the end of spring practice. Steve Jastrzembski, a great pass receiver, and Ron Delfine are the ends on the second unit. Heywood Haser and John Kuprok, two hard-nosed sophomores, will see a lot of action during the season.

Co-captains Ken Montanari and Bill Lindner, another potential All-American, will be the regular tackles for the second straight year. Ernie Westwood and Dick Mills, both capable players, are on the second unit. Mills is a topflight performer and will be playing both sides. Elmer Merkovsky and Ed Fornadel are two other boys who should see combat as the season progresses.

Norton Seaman, a linebacker, and Larry Vignali, a sophomore, appear to be in the driver's seat for

the starting guards. Vignali, a 5-10, 218-pounder, is one of the best linemen to appear on the local scene in a number of years. Regis Coustillac, a sophomore, and letter winner Henry Suffoletta, who missed spring practice because of an injured heel, are the number two guards. Letterman Bob Longfellow and Al Corfield are two other guards who could see lots of action.

Serafino Fazio, the second-string center last year, has moved into the number one spot. Andy Kuzneski and Dick Matyus, both sophomores, will see action.

Pitt's kicking game should be strong. Both Riddle and Ditka are good punters and Seaman is an excellent field goal kicker.

The passing attack will be just fair and the running attack will stress power more than speed.

The linebacking is another question mark. It's doubtful if Fazio and Seaman can do the job Guzik and Crafton did. Both boys are under 6-0 and could be quite vulnerable against a good passer.

Although a number of good ends are on the squad, it's doubtful if they can equal last year's crew. Ditka is a great one but the quality drops off after him.

The Panthers will be a slow team and this could be fatal against such teams as Notre Dame, Penn State, USC, Syracuse, UCLA, West Virginia, Marquette, TCU, Boston College and Duke.

For some reason, Pitt's teams during the last few years have lacked speed. This was the case last year, and this year it could be worse, especially in the backfield.

If Pitt could develop a breakaway runner, find suitable replacements for the middle of the line and come up with another quarterback, 1959 could be a good year.

But as it looks now, it is doubtful if any of these "if's" will become realities.

The Blue and Gold will still be a well-conditioned, hard-hitting team, both on offense and defense. Nevertheless, there are just too many question marks and if Pitt happens to win more than five games, Michelosen has done a remarkable job.

OPPONENTS

MARQUETTE - September 19

Marquette Stadium

Kickoff 2:00 C.D.T.

Location: Milwaukee
 Stadium: Marquette (21,500)
 Coach: Lisle W. Blackbourn (Lawrence) -
 5th season at Marquette 18-17-4
 record
 System: Slot Offense

Pitt will be meeting Marquette for the third time. The Panthers won the other two games.

Last year, the Warriors finished with a 2-7-1 record but have a new coach, Lisle W. Blackbourn, who is returning to Marquette after leaving at the end of the 1953 season.

In 1958, Marquette lost to such powers as TCU and Wisconsin. A definite improvement is expected for this campaign.

Twenty-five lettermen are back including eight starters. The top prospects include Ends Ron Dulak and Frank Lehn, Tackle Jim Szarwark, Quarterback Pete Hall, and Halfbacks Frank Reginelli and Silas Woods. Nine monogram winners are gone.

Top sophomore prospects are Tackle Ken Schaffer, Halfbacks Ron Jennings and Pat Geraghty and Guard Ted Clements.

Marquette will have experience and good size. Blackbourn will rely a lot on a running game which will lean toward the power side.

The passing game must improve and there is a lack of overall speed. But both departments could improve under the former Green Bay mentor.

 Coach: Bill Murray (Duke) - 9th season
 51-24-7 record

Pitt will be meeting Duke for the 12th time. The Blue Devils lead in the series, 6-5, but have lost the last two games. There are no future games scheduled between these teams.

Last year, the Blue Devils finished with a 5-5 record but lost to such powers as Notre Dame and top-ranked LSU. Victims included Illinois, North Carolina State, North Carolina, Wake Forest and Baylor. Three defeats were by field goals.

Twenty-one lettermen are returning including Guard Mike McGee, a candidate for All-American honors, and Tackle Jim Gardner. Duke will be looking for replacements in the backfield and at end because of the heavy losses in graduation at these positions. Murray lost 14 lettermen.

Top sophomores are Halfbacks Dean Wright, Jack Wilson, Jack Withrow, and Center Jan Kneib.

Duke undoubtedly will pass more this season and will improve in the punting department. Murray faces a rugged schedule.

Pitt will be meeting West Virginia for the 52nd time. The Panthers lead in the series 38-12 with one game ending in a tie.

Twelve lettermen are back including such standouts as Left Halfback Ray Peterson, Tackle Carl Dannenberg, Guard Bill Lopasky and Quarterback Danny Williams. Eighteen monogram winners are gone.

Top sophomore prospects are Guard Bill Winter, Fullback Curtis Harmon and Tackle Fred Deluzio.

West Virginia should be stronger this year. The Mountaineers have several good looking sophomores and more team speed. The big problem is overall depth, especially at the tackles. There are no lettermen at right guard or right end.

TCU won the Southwest Conference last year and played a scoreless tie with the Air Force Academy in the Cotton Bowl. The Frogs lost to Iowa, the Big Ten champion, and SMU in the last game of the season.

Martin has 30 lettermen returning. This team is the favorite to capture the Conference title for the second straight year. Just seven lettermen are gone.

All-American Tackle Donald Floyd, Center Arvie Martin, Fullback Jack Spikes, Left Half Marvin Lasater, all-conference performer and Quarterback Larry Dawson are just some of the stars Coach Martin has returning.

Twenty-four lettermen are back including six regulars. Just eight of the first thirty-three are gone. Seventeen lettermen in all are finished. Guard Roger Davis anchors a rugged line. Right Halfback Gerhard Schwedes is back for the third year. Fullback Art Baker could be one of the best in the country at his position.

Syracuse lost its first two quarterbacks. Lack of overall speed might hurt the Orangemen. The linebacking is another question mark.

Ernie Davis, a halfback, is one of top sophomore prospects in the country. Other soph stars are George Francovitch, a guard, and Pete Brokaw, a quarterback.

NOTES

JOHN P. MICHELOSEN, Head Coach

John Michelosen, who took over the head job at Pitt after the 1954 season, came to Pitt from Ambridge High School, where he played under Moe Rubenstein, in 1934.

He moved into the varsity quarterback in 1935 as a sophomore and retained this job for three years, operating as the blocking back and field general on offense and as a linebacker on defense.

He captained the 1937 team, and in his three years on the varsity the Panthers lost only two games, were in four scoreless ties, and included a Rose Bowl victory over Washington among the wins.

He was an assistant backfield coach at his alma mater in 1938, moved to Brooklyn in the National League as backfield coach to Jock Sutherland in 1940 and 1941.

He entered the Navy in 1942, serving at Iowa Pre-Flight under Bernie Bierman that year, then going with the Atlantic Fleet from 1943 until mid-1945. With the shooting over he was assigned to Corpus Christi, where he served as football coach along with Johnny Vaught.

He returned to Pittsburgh as assistant coach of the Pittsburgh Steelers in 1946.

When Sutherland died in 1948, Michelosen took over as the youngest head coach in the league.

He rejoined the Pitt staff under Red Dawson in 1952.

He is married and has three children, two boys and a girl.

In the first two seasons as head coach, Michelosen guided Pitt to two bowls and one Eastern championship. His four year record is 23-17-2. Nine of these defeats were to teams which finished in the Top Ten. Two of the defeats were in bowl games.

ASSISTANT COACHES

WALTER CUMMINS

Walter Cummins played his high school ball at Greensburg and entered the University in 1942, playing on the freshman team that year.

Before he had a chance to move on to the varsity, he entered the service and served in the Army for three years before returning to the University.

He was a regular for three years, playing end under Wes Fesler in 1946, and then was an end and defensive center for Mike Milligan in 1947 and 1948.

He worked for his Masters degree in 1950-51, and then joined the staff as assistant freshman coach and assistant to the Director of Athletics in 1952.

He helps with the freshman team.

VICTOR FUSIA

Pitt's backfield coach Vic Fusia, is a Western Pennsylvanian, who came back to Pittsburgh via Brown University.

Fusia played under Elmer Carroll at Wilkesburg High School, in 1930, 1931 and 1932, entered Manhattan College in the fall of 1934, and played quarterback under Chick Meehan in 1935, 1936, and 1937.

In his senior year he won All-Eastern and All-American recognition, played with the Eastern All-Stars, and was a member of the American team which toured France, a team on which his present boss was a team mate.

He was also on the boxing, basketball and track squads at Manhattan.

After graduation Fusia coached St. Barnards School in New York, then went into the Navy, where he served four years coming out as a Lieutenant.

He returned to Western Pennsylvania to coach at Rankin High School, where his teams lost only one league game in two years.

From Rankin he went to Indiana High School, and his 1950 team there was undefeated.

Al Kelley took Fusia with him when he went to Brown in 1951. Fusia was offensive and defensive backfield coach. He came to Pitt in 1955.

STEVE PETRO

Steve Petro came to Pitt from Johnstown High School, and played three years as a regular guard from 1936 through 1938.

A volunteer helper during spring drills in 1950, when Len Casanova took over as head coach, he was made Junior Varsity Coach that fall, and then served as assistant line coach with the varsity in 1951.

After graduation he played two years of professional football for Brooklyn, while working for Bethlehem Steel Corp. He entered the service in 1942, serving first with the Air Forces and then in Intelligence.

Upon his return he went back to the steel industry and stayed out of football until the spring of 1950 when he decided to get his certification in teaching.

He was freshman coach from 1954-1957 handled the guards in the spring drills. He moved to the varsity staff in 1958.

He is married and has four daughters and one boy.

ROBERT TIMMONS

End and Defensive Coach Bob Timmons is serving his eleventh year on the Pitt coaching staff. A native of Pittsburgh, he started at Allegheny High School, moved on to Pitt for a year of freshman ball under Dr. Skip Gougler, then spent three years under Jock Sutherland, pairing with Joe Skladany at the ends in 1933.

In April of 1953 he was named to succeed Dr. H. C. Carlson as varsity basketball coach.

He graduated from Pitt in June 1934 and received his Masters degree in 1938.

In 1934 and 1935 he coached high school football and basketball at Smithfield, Ohio, and in 1936 moved to New Brighton High School as football and basketball coach.

In 1939 he was named head coach at Indiana State Teachers and won 5 and lost 3. The following season he won 7 and tied 1, winning the State Teachers College championship.

He entered the Navy in 1943, and that fall played at Iowa Pre-Flight under Don Faurot.

He served in the Pacific in 1944 and 1945 as Aviation Engineering Officer on an escort carrier and also had shore based tours with a squadron, finishing as a Lieutenant.

He returned to Indiana State after leaving the service. His complete record there was 27 wins against 12 losses.

JACK WILEY

Line Coach Jack Wiley was for four years head coach at Waynesburg College until moving to Pitt in 1955.

The 36-year-old Wiley, one of Waynesburg's greats, was a protege of the late Frank Wolf at the Greene County College from 1937 through 1941, and had five remarkable years as pro football's lightest tackle under Jock Sutherland and Michelson with the Pittsburgh Steelers. He weighed only 205 pounds.

In between these two periods were four years in the Army as Infantry officer, with the 28th Infantry Division, enlisting as a private and coming out a captain.

Wiley played his high school football at Richill Twp.

He took over the head coaching job at Waynesburg in 1951 and didn't have a losing season. He won six and lost three his first year, jumped it to seven wins against one loss in 1952, had four wins and three losses in 1953, and in 1954 lost two, won five, and tied one.

Among the nine games his teams lost in the four years were three to West Virginia and one to VPI, both major schools.

Football until 1955 was an avocation with him, as he operated his folks' farm near Waynesburg, and also an insurance business.

LOUIS "BIMBO" CECCONI

Louis "Bimbo" Cecconi came to Pitt from Donora High School in 1946 to become one of the school's greatest players.

In his four years at Pitt he played both quarterback in the winged-T and left half in the single wing, both completely to the satisfaction of his two coaches, Wes Fesler and Mike Milligan.

Weighing less than 160 pounds and standing only five-nine, Cecconi became one of the smartest quarterbacks and most dangerous runners and

passers in Pitt history. From the moment that he took over the team in its opener in 1946 and passed and ran the Panthers to a halftime tie with Illinois' Rose Bowl champions in his first college game, he captured the imagination of the crowd and the respect of his teammates.

He specialized in coming up with the key play, a long punt return, an interception, a last second TD pass, the clutch run for big yardage when apparently trapped.

Despite his size he made his mark with the basketball team as well, being a letterman for four years.

Upon his graduation in 1950 he was assistant coach at Donora High School for one year, then entered service. He spent one of his two years with the Infantry in Germany, then came home to take the head coaching job at Sharpsburg.

Prior to Cecconi's arrival, Sharpsburg had won only ten games in seven years. He won six his first season, and his overall record was 27 wins against 12 losses, and 6 ties.

He was as successful in basketball, taking his team to the Class B playoffs in 1954 and 1958.

In 1956 he received his Masters Degree from Pitt; is married, and has five children, four girls and one boy.

CARL De PASQUA

Carl DePasqua was a great back for Pitt from 1946 through 1949, playing in two different systems, the T and the Single-Wing under Coaches Wes Fesler (1946) and Mike Milligan.

Coming to Pitt as an All-State selection, he was a starting quarterback as a freshman, a halfback as a sophomore, and then a fullback on two winning

teams as a junior and senior, all this while weighing 175 pounds.

He served in the Army during 1950 and 1951, playing for the Brooke Army Medical Center at Fort Sam Houston, this outfit going to the Cigar Bowl in 1951.

He returned to Pitt to work off credits for his masters degree in 1952, and was freshmen backfield coach during this period as a graduate assistant.

He went to Sarnia in the Ontario Rugby Union in 1955, as backfield coach, and then entered in business in Pittsburgh, rejoining the Pitt staff this summer.

He is married and has one daughter.

A SHORT RESUME OF PITT FOOTBALL

Pitt football began when the University was known as the Western University of Pennsylvania in 1890, but the Panthers did not begin their march into the front line powers for another decade.

In 1904 the Western University of Pennsylvania eleven, had its first winning streak. Sparking this team was Joe Thompson, World War I fame.

He took over as coach after his graduation, and in 1910 turned out an undefeated, untied, and unscored on eleven.

In 1914 under Joe Duff, brother of the former U. S. Senator, the Panthers prepared for the event of Pop Warner, by losing only one game.

Not until mid-1919 did the Blue and Gold bow in intercollegiate competition. Thirty-two consecutive victories were recorded.

The 1916 Pitt team turned up with an innovation, for which millions of football fans have since given thanks. In addition to being undefeated, the Panthers, under Warner, were the first to wear numbers.

During this period the first All-American appeared. Bob Peck in 1915 and 1916, and rated as one of the great All-Time All-Americans at center, Tom Davies, at halfback and Leonard Hilty at tackle in 1918 were some of the stars of the era.

Famous then, and more famous later, players were a big Scotch guard by the name of Jock Sutherland; the 1917 captain and end, now Dr. H. C. Carlson, for 31 years head coach of basketball at his alma mater; and Tiny Thornhill, who went on to coach Stanford's Rose Bowl teams.

Perfect seasons were out after 1919, but they still were winning years. Herb Stein, a center, joined the list of All-Americans, and Harvey Harmon played a lot of tackle.

In 1924, Jock Sutherland began a 15 year regime, which started slowly but ended with the Panthers ensconced among the mighty.

Only 20 games were lost during this period, and another 11 were tied. Eastern titles came in 1925,

1927, 1929, 1931, 1932, 1934 and 1937. Four times the Panthers showed in the Rose Bowl, winning the final game in 1937 against Washington.

All-Americans during the period were Ralph Chase in 1925 at tackle, Gibby Welch at halfback in 1927, Mike Getto at tackle in 1928, Ray Montgomery at guard and Joe Donchess at end in 1929, Jess Quatse at tackle in 1931, Warren Heller at halfback in 1932, Joe Skladany at end in 1933, Doc Hartwig at guard and George Shotwell at center in 1934, Averell Daniell at tackle in 1936, Marshall Goldberg at halfback and Tony Matisi at tackle in 1937, and Goldberg and Bill Daddio at end in 1938.

On the All-American rolls since Sutherland were Ralph Fife in 1941, Bernie Barkouskie, in 1949, and Joe Schmidt, in 1952, all guards; Eldred Kraemer, a tackle in 1952, Joe Walton, a unanimous choice at end in 1956, and Guard John Guzik in 1958.

Sutherland left in 1938 and the Pitt power fell off for the next ten years. Charley Bowser was succeeded by Clark Shaughnessy who held sway during World War II. Wes Fesler brightened the picture in 1946, and was followed by Mike Milligan who turned in the first winning teams of a decade in both 1948 and 1949.

When Milligan resigned in 1950, Len Casanova came in to take over for that year, but left the following summer. In 1951 Athletic Director Tom Hamilton took over as head coach, and then in January of 1952 Lowell Dawson was named.

Dawson won six including Notre Dame, Army, Ohio, Indiana and Iowa among the victims, and lost three.

In 1954 ill health caused him to give up football coaching in mid-season, and Tom Hamilton took over as head coach and put the team on a winning basis.

After the season he stepped down to turn the team over to Johnny Michelosen.

A 7-3 record, featuring decisive upset wins over Duke at Durham and over West Virginia before a capacity crowd in Pittsburgh, brought a Sugar Bowl invitation, and a close defeat by Georgia Tech at New Orleans that didn't hurt the Panthers' national ranking.

The Panthers went to the Gator Bowl in 1956, after a 7-2-1 season, and again lost to Georgia Tech 21-14.

In 1957, Pitt was 4-6 and last year, 5-4-1.

PITT HALL OF FAME AWARDEES

Thus far the University of Pittsburgh has had two players elected to the National Football Hall of Fame. Jock Sutherland, a great guard from 1914 through 1917, and Pitt's brilliantly successful coach from 1924 through 1938. He was elected in 1953 among the first coaches named.

In 1954 Bob Peck, Pitt's first All-American (center in 1915 and 1916), was elected as the first Pitt player to have his name placed on the honor roll.

PITT ALL-TIME RECORDS

Individual figures are compiled from official statistical records of each game from 1931 through 1958. Before 1931 they are taken from play by play accounts of game. Team records begin with the 1904 season. Naturally they cannot be 100 percent accurate, but they can stand until someone comes up with a better way.

THE UNIVERSITY OF PITTSBURGH

120 PIECE VARSITY MARCHING BAND

The University of Pittsburgh 120 piece Varsity Marching Band is composed of undergraduate men of the various schools of the University. Since the University has no School of Music, none who participate in the Band are preparing to become professional musicians but some day will be doctors, lawyers, engineers, dentists, teachers, etc. No member of the Band is compensated in any way for his efforts in its behalf, or for no scholarships of any kind. They work untiringly for the friendship, companionship, and enjoyment that comes from being a part of a great band.

Under Robert L. Arthur with the assistance of Dr. Jack B. Anderson and Ben E. Benack, the band has reached its present level of excellence that has become one of the outstanding collegiate bands in the nation. In its pre-game, half-time, and post-game shows, emphasis is placed upon precision stepping, motivated formations, swinging instruments, and all the shine and sparkle that can be reached at the modern cadence of 160 steps per minute.

The matched gold instruments, blue and gold uniforms with white cross belts, white spats and gloves combined, create an appearance of beauty and uniformity.

In addition to the 120 musicians who perform on the field, there are others who attend to a host of duties. A Graduate Staff of seven attend to administrative details while an undergraduate operations and library staff of ten handle all equipment and properties, music, and the loading and unloading on trips. With this help the Band moves with a minimum of confusion.

Prior to the beginning of the fall semester, these bandsmen, directors, librarians, drum majors and operations crew move into a camp forty

miles outside of Pittsburgh, just outside Zelienople, for ten days of intensive training. They spend fourteen hours a day drilling; learning formations, practicing music, and just plain working hard. The group of men who arrived at camp as individuals return to perform for the season as an integrated, disciplined marching band. With a two hour practice Tuesday and Thursday evenings, the band is prepared to present itself in a manner which is "worth watching".

Ladies and Gentlemen: Presenting the University of Pittsburgh 120 Piece Varsity Marching Band.

PITT BASKETBALL

Pitt's basketball team will play a twenty-five game schedule this winter. Thirteen games will be played at home, 10 away and two at the Queen City Tournament in Buffalo.

The usual home-and-home series will be played with Carnegie Tech, Penn State, and West Virginia.

The schedule includes three NIT teams, Villanova, NYU and Fordham, and four NCAA teams, Dartmouth, Navy, Kentucky, and West Virginia. There also is a chance Pitt might meet St. John's in the Steel Bowl.

Coach Bob Timmons will be starting his seventh year as head coach. The Pitt head mentor has a 78-72 record including NCAA Tournament appearances in 1957 and 1958.
